

NCR EX15

DELIVERING EXCEPTIONAL VALUE AND THE PERFORMANCE YOU NEED IN A SLEEK COMPACT, INTEGRATED DESIGN

The NCR EX15 point-of-sale (POS) terminal is equipped with a zero-bezel projected capacitive display that supports 10-point multi-touch capability at a value price. The industrial grade LED touch panel supports bright, crisp images. The all-in-one EX15 is powered by the proven, efficient Intel® Celeron® J1900 Quad Core Processor that delivers excellent performance, while enabling fan-less operation for enhanced reliability.

Its compact footprint saves valuable counter space. The EX15 features flexible installation options to meet your needs and can accommodate an optional rear-mounted customer display, available in various sizes, to display pricing and promotional messages.

The EX15's stylish design and black color complements just about any environment. It provides quick access to I/O interfaces as well. Pair it with NCR's peripherals to create a customized POS solution to create an exceptional checkout experience for your customers.
