

ORDERMAN PX10

VERSATILITY AND DURABILITY IN A COMPACT DESIGN

The Orderman PX10 is characterized by its compact design and incredible flexibility. Slim, durable and versatile, this POS is perfectly suited for hospitality or retail businesses requiring a small footprint. Modern interfaces ensure the PX10 stays

sustainable and future-oriented, whilst its solid construction guarantees a long service life. The fan-less design and lack of moving parts make it well-equipped to withstand even the roughest handling.

HIGHLIGHTS:

- Compact all-in-one POS made from high-quality components
- Adjustable 10.1" LCD HD display with capacitive touch technology
- Integrated signature card reader
- Numerous interfaces enable easy connection to cash drawers, printers, etc.
- Integrated recovery tool for data backup
- Up to 6 years Care Gold warranty

Featuring the latest processor technology, the PX10 guarantees a smooth workflow with the software of your choice. The capacitive full HD display in a 16:9 format ensures you have enough screen-space to keep an eye on all your most important information.
