

ORDERMAN BELT PRINTER3

The Orderman belt printer rounds out the system. The ultimate solution: compact, lightweight and robust. The Orderman network provides maximum reliability.

To ensure that guests do not have to wait long for the bill after dining, the belt printer can conveniently print bills, credit card and EC/Bancomat card receipts directly at the table. This seamlessly fast process leaves a positive and professional impression. Benefits for the restaurant owner: More efficient service, increased guest satisfaction, better table utilization and ultimately more profit! The Belt Printer3 is ideally suited for a faster workflow outdoors.

PRODUCT HIGHLIGHTS

- Easy pairing with all Orderman Plus handhelds (Leo2plus, Max2plus, Sol+/MSR/NFC, NCR Orderman7+/MSR/SC)

**EASY
PAIRING**

OPTIONAL ACCESSORIES

CHARGING STATION

This optional charging station allows the replacement battery to charge while the printer is in use. Charging lasts approx. 2.5 hours per lithium ion battery (battery not included in delivery scope).

4-UNIT CHARGING STATION

The 4-unit charging station offers you the option of charging four batteries at once. To save space, you can easily install the charging station on a wall using the special wall mount (optionally available).

REPLACEMENT BATTERY

With the replacement battery you ensure that the Orderman belt printer is always ready for use.
